Little Village would like to give a HUGE thank you to Hiram College and those who helped put together the trick-or-treat parade. The kids had so much fun!!!!

The holiday season is in full swing. Each classroom has many fun activities planned during the next couple of months, so make sure you are checking your child's classroom calendar for any important updates.

We will be closed for Thanksgiving (Nov 24) as well as the day after to spend time with our families. We wish you all a Happy Thanksgiving and safe travels.

Sincerely,
Little Village ELC
