

About this Event

What to Expect

Painting experience with a MAJOR twist! Ladies, and open-minded gentlemen, get ready for a truly adult paint night. Instead of painting your typical high heel or wine glass, you'll be painting a LIVE NUDE model! Our models are hand-picked professionals who will be posing as you channel your inner artist. Great for a girls night out, adventurous date, or just a spicy way to start your weekend!

- All attendants must be 21+ with valid ID.
- Includes 9x12 canvas and painting supplies
- LIMITED SEATING! No tickets will be sold at the door
- Tickets are final sale. Refunds will be given if event is cancelled
- Indoor event (rain or shine)
- Tips for the model are highly encouraged but not required.

Guests are guided through a hands-on (no pun intended) painting tutorial. Each of our guests leave the event with their masterpiece of the human form to hang on their wall at home. The monthly event will have a different model and/or instructor each month.
