

## Obligation 15

Be just and give deserved respect!

Custodian Guardian support a just and democratic society. That is based on, or behaving to what is morally right, fair and written in the 'Law Giver Manifest'.

A just person gives to each individual and creature what they are due. If respect is warranted a just person will give due respect. A just person demands accountability consequences in cases of wrong doing.

Justice starts with an individual "You"! You need to be 'Just'. Being Just is the foundation from which 'Justice' rises up.

Being Just and receiving Justice is ideal. Reality is that there are unjust people who create injustice. Each individual has a moral and civil (public) duty to remove injustice.

The Just group up and establish 'Governance'. Governance consist (mandatory) of multi choice elected and equal gender 'Committee'. 1 person and or hereditary (Monarchy) Governance is Tyranny. Tyrants are removed, prosecuted, **MS R7**.

Respect may be deserved. By individuals, group, organization,.. Deserving are moral strength and being just: abilities, achievements, actions, courtesy, appreciation, attentiveness, civility, politeness, thoughtfulness, random acts of kindness, qualities..

Respect is showing admiration for virtue and or achievement. It may take time and effort to become aware of good qualities. When aware where appropriate to honor those qualities by deserved Respect.

Respect may also be shown for feelings, wishes, rights... This type of Respect is not given automatically. Showing consideration, make allowances, be mindful... must stand the test of moral strength and being just. Only then can it become deserved Respect.

**AS it is Written It Shall Be**
