

## WHAT'S NEW WITH ATLANTIC KITCHEN & BATH? WAYPOINT'S NEW CABINET SERIES

Did you know that Atlantic Kitchen & Bath features cabinetry from Waypoint. This high-quality cabinet manufacturer now features more colors and door styles at affordable pricing. We are pleased to announce a product expansion update with new offerings that allow our designers to create a wider range of styles.

THE LATEST OFFERINGS FROM WAYPOINT® MEAN BUSINESS. NEW DURAFORM TEXTURE (DT) SERIES Introducing DT24F and DT22S door styles available in three new and exclusive textured finishes: • Breeze - textured wrapped doors and drawer fronts with subtle striations of white and neutral tones on a Linen cabinet box • Cascade - textured wrapped doors and drawer fronts with a rich, deep finish on an Espresso cabinet box • Drift - textured doors and drawer fronts with remarkable likeness to a faded driftwood on a Harbor cabinet.

Waypoint also carries specialty door cabinetry that enable our design team to design cabinets with glass that make a statement.
