

- **THE LOBBY IS CURRENTLY CLOSED.** All parents must drop their child off at the door to a staff member 5 minutes prior to the start of their class time and pick back up at the curb when class concludes. Our changing room and break room will also remain closed at this time.
- **TEMPERATURE CHECKS** will be performed on all dancers and staff members upon entering the building. Anyone with a registered temperature of 100.4 or higher will be sent home immediately.
- **MASKS** are not required by our dancers as they maintain social distance of 6ft. They are required while entering/exiting the studio and also at any time a dancer is not in the classroom dancing in their assigned social distanced dance space (ie: going across the floor).
- **HAND SANITIZER** must be used upon entering the studio, with each classroom change, and also as the dancer exits the studio.
- **SOCIAL DISTANCING** will be set up for each classroom and staff members will be making adjustments to lesson plans to avoid partner work and shared equipment without sanitizing. Class sizes have also been temporarily reduced.
- **DANCE BAGS** will not be permitted at this time. Please have your dancer bring thier change of shoes in a ziplock bag.
- **A WATER BOTTLE** will need to be provided from home. Please make sure disposable bottles with your dancer's name to avoid any mix up. The water fountains are shut off at this time.
- **SURFACE CLEANING** will be performed between each class/change of students in the room. The studio will also receive a deep claeen after no more than 3 days of use.
- Students who have recently **TRAVELED** to "hot spot" areas are highly recommended to self quarantine for 14 days. If you choose not to self quarantine, it is recommended that your dancer be tested for Covid-19 and have a negative result before returning to the studio for classes.
