LARSON Secure Elegance Brown Full-View Laminated Security Storm Door
(Common: 36-in x 81-in; Actual: 35.75-in x 79.75-in) **\$384.98**

Description

Secure Elegance Brown Full-View Laminated Security Storm Door (Common: 36-in x 81-in; Actual: 35.75-in x 79.75-in)

- Industrial strength KeepSafe Glass® with a protective shield, inner layer withstands repeated blows by blunt objects and includes an additional \$1000 break-in protection guaranteed with break-in protection warranty from KeepSafe® glass
- Blocks 99% of harmful UV rays and provides thermal benefits; significantly reduces the outside noise
- Decorative Brass 3-way locking system secures the door in 3 places and is the most secure storm door hardware available
- Premium construction with 1-5/8-in thick, heavy-duty, sturdy-construction frame with maintenance-free aluminum frame finish prevents rust and comes with a Limited Lifetime warranty
- Overlapping edge and dual weather stripping seal out harsh weather and offers a tight seal for valuable energy efficiency
- Prevent door removal from the outside by using 1-way installation screws; screw cap covers conceal mounting screws for a clean look
- Adjustable bottom sweep matches the handle for a distinctive look and adjusts to uneven sills to seal out harsh weather
- EasyHang® installation is faster and easier than traditional methods and offers a no cutting system with mounting rail extenders for an exact fit every time
- Reversa-Hinge™ allows for right or left hinge mounting to fit Opening Size of 35-7/8-in to 36-3/8-in wide and 80-in to 81-in height
