Today in the greater Twin Cities, we're facing gaps that limit our potential and threaten the well-being of our entire community. Your life-changing gift builds the foundation for a brighter future by investing in individual lives and the community. Together we can make sure all people in our community have a place to call home, access to nutritious food, high-quality education from cradle to career, job training, and a path to thrive. Every dollar you donate (and every hour you volunteer) makes a difference for the 1 in 4 people who experience poverty.
