

December 11, 2019

Dear friends of the Sugar Mill Community Association,

It is with regret that I am writing to inform you of my decision to resign my position as the board president of the Sugar Mill Community Association.

My other commitments have become too great for me to be able to fulfill the requirements of my position on the board, and I feel it is best for me to make room for someone else with the time and energy to devote to the job. So as of today, December 11, 2019, I officially place this resignation in your care.

It has been a pleasure serving alongside of each of you. I am so proud of all we have accomplished in the past year and a half and I have learned so much, the past 3 years while serving on the board of directors. I have no doubt the board will continue being successful while working for the betterment of the community.

As always, I am still your neighbor and friend and my assistance to help will always be available, especially during the time it will take to fill the position. Please don't ever hesitate to ask, because you know I will be here to help you through.

I will provide an "action list" and will deliver all property to Maria Leal with RealMange, by Friday, December 13, 2019.

I would ask that you please post my resignation clearly for the community of Sugar Mill to see, for I wish for full disclosure of my actions today.

With most sincerest regards,

Michelle M. Riemersma
Former Sugar Mill Community Association, Board President
