The 2016/2017 season has been a busy one for us! The weather has been good and the cover is in excellent condition. There is a good supply of pheasants, chukar and quail this year. Most Saturdays still have fields available. There is still plenty of time to use season weekday packages. Email Mark if you have questions about the packages or if you want to book a hunt.

### Women's Reunion Hunt Friday March 3

This hunt is for women that have participated in one of our Women's Hunts. Please contact [Karen@pheasantvalleyfarm.com](mailto:Karen@pheasantvalleyfarm.com) for details.
