

WELCOME

We Love to have you here as a visitor at The Faithful and True Witness Apostolic Church and we do want you to feel welcome. Whether you are already a believer or not, we invite you to worship with us. There's a lot of churches out there that seem to be in competition by the way churches are marketed today. We are not here to sell a church to you, but rather, we believe that if you are here, it is because the Lord has brought you here. We invite you to come, worship and experience the presence of the Lord with us. We believe that human efforts and slick slogans fail if God is not in the focus.

OUR MISSION

We are a Christ centered ministry because Christ should be the focus of all churches in Christ. We use for a slogan, "**Revealing Purpose, Transforming Lives,**" which reflects what God is doing among us. We bring the Good News of Salvation through Jesus Christ. The Gospel is the power of God unto salvation that meets the need of everyone. God's salvation, brings love, hope, healing, freedom, peace, joy and a purpose for our existence and election in Christ.

WHAT SHOULD I EXPECT WHEN I VISIT?

We know that visiting a church for the first time can be a very intimidating experience for most. You will be greeted and welcomed by a greeter or usher. Before you are seated, you will be asked if you were invited by someone from our church, and if not, how did you hear about us? This allows us to seat you next to those who invited you, if possible. You will be given at your seat a welcome packet containing information about our programming and church. You will be acknowledged as a visitor at some point in the service but you will not be singled out.

Our main worship service is our Sunday worship service at 12 noon. Members traditionally dress up for our Sunday worship services, but don't let this intimidate you as some members don't. Come as you are and be guided only by the fact that you are visiting God's house. Parking is available in our shared parking lot if you arrive early, but if can't find a spot, please let someone know inside and one will be made available for you. Please contact us about other ways to get to our church.

OUR WORSHIP

Our worship is a spirit filled, Pentecostal worship with the aid of our Praise team, keyboard, drums, base and guitar. We employ both contemporary and traditional hymns. **WELCOME!**
