

# New Pig

## PIG Product Line Card

### Absorbent Mats

PIG Mat is the #1 brand worldwide for leaks, drips and spills — absorbs anything, works everywhere.

#### PIG Universal Mat

Supertough PIG Mat lasts 2X longer than ordinary mats for fewer changeouts.

#### PIG White Oil-Only Mat

Absorbs only oil and fuel, never water. It's the most cost-effective choice when you only need to absorb oil.

#### PIG Brown Oil-Only Mat

Absorbs only oil and fuel, never water. Brown color looks cleaner, longer.

#### PIG HazMat Mat

Specially treated for absorbing even high concentrations of acids, bases and unknown liquids.

#### PIG Elephant Mat

Zigzag-stitched Elephant Mat delivers absorbency plus walk-on durability.

#### PIG Fat Mat

Double-thick pads and rolls absorb more and last longer.

#### PIG Ham-O Mat

Keep it down 'til it's soaked. The grime-hiding top always looks clean!

#### PIG Grippy Absorbent Mat

Prevent slips, trips and falls around workstations and walkways near machinery in industrial workplaces.

#### PIG Grippy Floor Mat

Prevent slips, trips and falls in high-traffic areas with our adhesive-backed commercial floor mat.

#### Pig Blue Mat

Our most absorbent mat easily handles high-volume leaks and spills.

#### PIG 4 in 1 Mat

Handle your liquid messes with our most versatile mat — use it as a pad, roll, sock or wiper!

#### PIG Chat Mat

Keep floors dry and deliver a message that can't be ignored.

#### PIG High-Visibility Mat

Alert workers to slip hazards while cleaning up leaks.

#### PIG Barrel Top Mat

Keep drum tops clean with a mat that's shaped to fit.

## Socks, Pillows & More

Need more than a mat? These products help you control leaks and spills of all sizes.

### PIG Socks

Stop leaks and spills from spreading with the widest selection of tough, economical socks you can find.

### PIG Pillows

High-capacity pillows deliver the absorbency you need when the situation calls for more than a mat.

### PIG Absorbent Drip Pan

Low-profile pan traps leaks from drum faucets, spigots and flanges.

### PIG Loose

PIG Loose Absorbents are cleaner, safer and more efficient than clay.

### PIG Booms

Booms repel water and shrug off UV rays to absorb and contain oil spills both indoors and out.

### PIG Skimmers

Keep sumps, tanks and bilges oil-free with easy-to-retrieve skimmers.

## Wipers & Rags

Choose from top-quality wipers and rags for jobs from rough scrubbing to fine dusting.

### Light- to Ultra-Duty Wipers

For everything ranging from high-volume use-and-toss jobs to rough cleaning tasks where all-day durability counts.

### Specialty Wipers

These wipers do what others can't — excel at high-demand tasks like working with serious solvents or precision optics.

### Shop Rags & Towels

Screened and double scanned to be the highest-quality rags anywhere. No undersized pieces or metal content.

### Premoistened Wipers

Saturated wipers are great for jobs ranging from waterless cleaning to acid neutralization.

## Spill Control

New Pig has the toughest, tightest-sealing products to keep contaminants out of drains.

### PIG DrainBlocker Drain Covers

Protect drains and avoid fines with the world's toughest, best-sealing drain covers.

### PIG Spill Containment Dikes

Just lay them down and pick them up — our tight-sealing dikes confine spills up to 6" deep.

### PIG Spill Containment Berms

For more permanent protection, surround machinery or drum storage areas with a PIG Build-A-Berm Barrier.

### Containment Booms

Be prepared for waterborne spills with these nonabsorbent booms to contain oil and debris.

## Spill Kits

Only PIG Spill Kits contain field-proven PIG Absorbents — the world's #1 brand.

### PIG Spill Kits in Overpack Salvage Drums

Strong enough to be UN Rated for shipping spill cleanup waste.

### PIG Spill Kits in Mobile Containers

These lightweight container kits packed with absorbents roll right to the site of spills.

### PIG Truck Spill Kits

This line of kits with a truck-first design are ultra durable and filled with road-ready supplies.

### PIG Spill Kits in Bags

Spill response essentials are packed in compact bags that store nearly anywhere.

### PIG Spill Kits in Cabinets

This cabinet ships assembled and is ready to be your spill response center.

### PIG Spill Kits in Chests

Absorb up to 143 gallons with our largest spill kit.

## Patch, Repair & Maintenance

Keep your facility in good repair from floor to ceiling with top-quality solutions.

### PIG Leak Diverters

High-quality diverters catch and control overhead leaks until you can make repairs.

### PIG Epoxy Putty, Patch & Repair

Fix punctured drums, fractured pipes, eroded concrete and more with quality patching products.

### Stormwater Management

Take control of stormwater pollution problems with drain inserts, filters and more.

### Oil-Water Separators

Keep your outflows clean with oil/water separators for help meeting SPCC Regs.

### Recycling & Waste Minimization

Minimize waste streams and costs with our compactors, recyclers and crushers.

### Smoking Receptacles

Collect cigarette butts in clean, convenient receptacles, not on your sidewalks or landscaping.

### Vacuums & Cleaning Supplies

Handle spills and make messes disappear with squeegees, wet vacs and other cleaning products.

### Remediation & Cleaning Chemicals

Powerful cleaners help you with everything from soil remediation to cleaning up grimy floors.

## Storage & Material Handling

From award-winning PIG Burpless Drum Funnels to the UN Rated drums they mount on, your facility's covered.

### PIG Latching Drum Lids

No nuts, no bolts, no fuss! Latching Lids open and close with one hand for easy haz waste compliance.

### PIG Drum Funnels

Pour quickly and safely with this collection of funnels, featuring a Burpless design for splash-free jobs every time.

### Safety Cabinets

When you store flammables at your facility, you can't beat the features and quality of PIG Flammable Safety Cabinets.

### Oil Drain Pans & Dispensing Containers

Make vehicle and equipment oil changes hassle-free with reliable products.

### Drum Trucks, Dollies & Racks

From dollies and nonsparking trucks to space-saving racks, you'll have what you need to handle and store your drums.

### Drums, Overpacks & IBCs

Empty drums, overpacks and IBCs have the certifications and compatibilities to fit your storage and shipping needs.

## Spill Containment

Keep your drums, IBCs and tanks on lockdown with products that are tested and proven to handle the toughest conditions.

### PIG Spill Containment Pallets

Heavy drums are no problem for the strongest pallets you can buy. Guaranteed.

### PIG Spill Containment Decks

Tested and proven to be the strongest drip decks on the market. PIG won't bow or buckle.

### PIG IBC Containment Units

Keep your totes safe and compliant on the strongest, most durable IBC pallets you can buy.

### PIG Tank Containment

Provide liquid containment for load lines, oil tanks, single drums and other applications.

### PIG Drum Roll Tops & Covered Spill Pallets

These best-selling covered pallets provide easy access and weather-tight security.

### PIG IBC Roll Tops

Provide protected storage and liquid containment that meets EPA standards with IBC Roll Tops.

### PIG Collapsible Spill Containment

Patent-pending designs offer drive-in containment with capacities up to 17,000 gallons.

### PIG Spill Trays

A wide range of containment trays hold oily parts and leaky containers.
