

Kremmling Preschool Newsletter

January 18, 2023

MISS BRITTANY'S MESSAGE - "Did you know that a polar bear's fur is actually translucent? That is just one of the fun facts we have been learning in our polar pal's theme! The kids have had so much fun ice fishing for letters and playing in our sensory table with the arctic animals and environments. They really are having a blast learning about this theme! We are so happy to have the kiddos back from break and are loving watching their progress!"

2023/24 Registration - We will begin registering for the 23/24 year preschool next week. We are hosting an open house on Tuesday & Wednesday, January 24 & 25 where you can come into the preschool and register your children for preschool. We will be doing registration online with UPK Colorado and this open house with an opportunity for you to come and ask questions and assistance with the online system. A parentsquare will be coming out with times for you to signup. If you have any questions, please come see Michele.
