

Gas in the Tank
Reviewing Artifacts & Providing Feedback To Teams
Woodburn School District
March 8, 2016

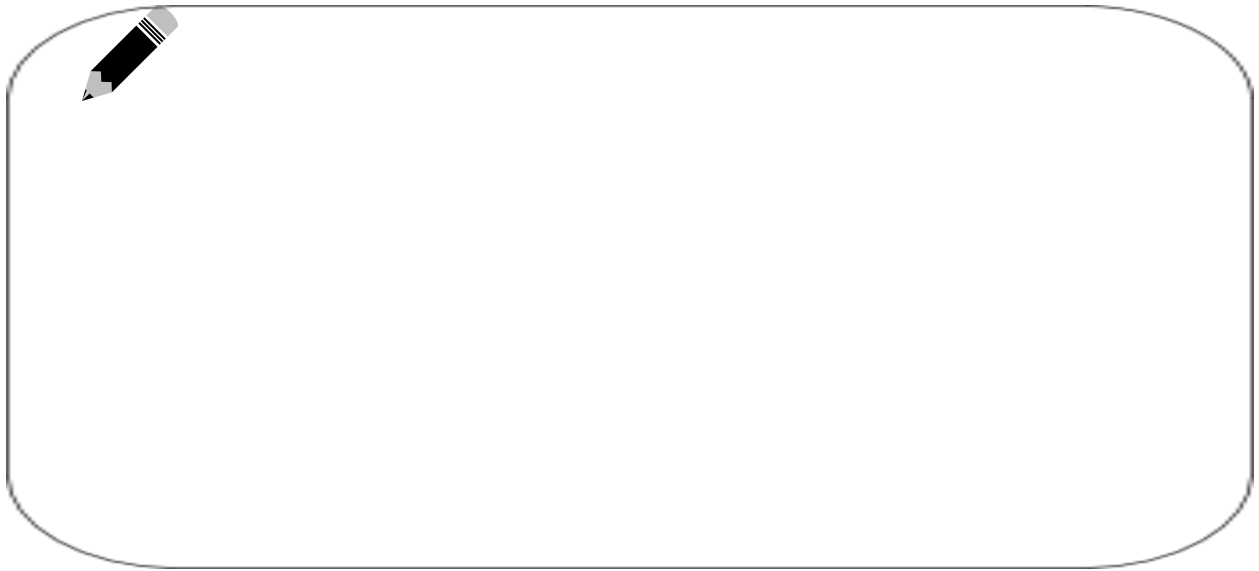

Objectives:

- Increase awareness of the “**Must Haves & Cant Stands**” for team support.
- Build shared understanding on effective strategies for **providing feedback** to teams.
- Utilize **team artifacts** for guided practice with reviewing notes and determining next steps.
- Discuss **Tools of the Trade** that support efficiency in **monitoring** team and student outcomes.

Agenda:

Cycle Review
Objectives/Opening
What really matters?
Artifact Review
Monitoring and Support
Tools of the Trade
Closing/Reflection

Must Haves	“Can’t Stands”

What Really Matters???

1.	
2.	
3.	

Artifact Review #1

Performance Strengths	Inference
Errors and Misconceptions	Inference
<p>Circle the Prioritized Need. How will you communicate this with the team?</p>	

Artifact Review #2

Performance Strengths	Inference
Errors and Misconceptions	Inference
<p>Circle the Prioritized Need. How will you communicate this with the team?</p>	

Notes on Tools of the Trade:

Gas in the Tank
Reviewing Artifacts & Providing Feedback To Teams
Woodburn School District
March 8, 2016

Reflecting on our Objectives:

- Increase awareness of the “**Must Haves & Cant Stands**” for team support.
- Build shared understanding on effective strategies for **providing feedback** to teams.
- Utilize **team artifacts** for guided practice with reviewing notes and determining next steps.
- Discuss **Tools of the Trade** that support efficiency in **monitoring** team and student outcomes.

I want to remember _____

My next tiny step will be _____

My next **BIG** step will be _____

Other Feedback _____
