

Candidate BIOS

Malinda Wooten

I have been living in the neighborhood since 2013 and I am very concerned about the issues in the neighborhood. I would like to see change in the neighborhood and understand the funding and budget for Twin Oaks Village. My professional background is in Accounting and Finance ...I could help with the budget, monthly reports, and bylaws for the community. I would make sure the neighborhood is safe, clean, keeps the property values, respect for all, and ethical values for all involved.

Best regards

Malinda Reedus-Wooten

Sylvie Elmer

My name is Sylvie Elmer and I have lived in Twin Oaks Village since January 2009. I have been active in our community since moving here. For 5 years I served on the Architectural committee, volunteered for several of the Fall Festival at Jordon Elementary and at the pool opening celebrations. I am asking for your vote because I am ready to further serve our community.

Jessica Kennedy

Neighbors,

My name is Jessica Kennedy and I am interested in running for the Twin Oaks HOA Board. Serving our community, I strive to help increase or maintain our property values by looking after the community with great care. As a resident of TOV for over 10 years, I have a direct desire to protect our community, help others and thereby keeping this a safe place to live. As a former Director of a non-profit, I have an innate desire to positively serve, problem-solve and foster healthy relationships within our community. I hope you consider me for election. Cheers and thank you,

Jessica Kennedy

Rob Tice

I am proud to call TOV my home for nearly 19 years. I have been a HOA volunteer in the community for over 15 years. I was asked to join the board of directors in 2011 to help recover funds, implement audits, and mitigate the financial loss due to embezzlement. Since that time, I have been involved in many improvements to the community including the posting of the HOA's financial information, meeting minutes, and law enforcement reports on the website. Although I left the board a few years ago to spend more time with my mother after her diagnosis with cancer, I remained a volunteer on the ACC committee. If you vote for me to serve on the board, I will put forth my efforts to continue to make Twin Oaks Village a safe and attractive community that you can be proud to call home.

Jennifer Flores

My name is Jennifer Flores and I'd like your vote for the Twin Oaks Board of Directors. I am a 16 year resident of Twin Oaks and have at least four more years to reside in this community as my son is going into his Freshman year at High School. I also serve as a Director for Big Oaks M.U.D., our water district, of which I am now going into my sixth year as a Director serving our community. My professional history includes over 15 years' experience in Treasury and Accounting (A/R, A/P, Budgeting, etc).

I currently am serving on the Board for Twin Oaks but would like your vote to solidify my position on the board and continue to serve you and our community. If elected, my goal is to continue to ensure the beautification and safety of our community as well as proper allocation of our budgeted funds for the community. I also will strive to ensure more communication with our residents on what is going on in and around our community. Thank you and please vote for me, Jennifer Flores."

LaNoma Martin

My name is LaNoma Martin and I have lived in Twin Oaks since July 2007.

I have been a temporary Board member for about 6 months filling in for the Treasure and it has been a great experience. I am also on the ACC Committee working hard and diligent to provide fast turnaround time for the submission of applications when Homeowners request improvements that need approval. It has been a pleasure to serve Twin Oaks and I do it because I want to live in a community where the homeowners care and everyone wants to keep and maintain their property, to be good neighbors and respect the diversity of the neighborhood in which we live. I do not have children but have volunteered at Jordan Elementary, Juan Sequin and McNeil Elementary to support my nieces and nephews because I believe it takes a village to raise children and I want to lead by example in showing them we all must play our part in giving back. Many of you have seen me as I am the lady who walks/jogs in the morning with my pink bat, waiving at drivers with a smile and there is not a person that I have walked past that I did not greet and strike up a friendly conversation with. I am a people person and love sharing a kind word with a smile. You may also find me on many a Saturday morning picking up trash off Orchid Ridge between 1464 and Westmore or even up and down my street. My husband and I have no problem picking up if there is loose trash on our street because we want to help keep the sewers clean and the neighborhood clean like it was when we moved here in 2007. We must take pride and work together to keep it as safe, clean and enjoyable for everyone. I believe in doing what I can to contribute to the good as oppose to complaining yet not contributing.

Being on the Board has been an honor and if I am elected to remain I will do Twin Oaks proud if not I will continue to serve on committees and volunteer to do my part in helping to keep our neighborhood Blessed.
