Please drive slowly through and around the parking lot.

Children are very small and may not be seen when walking across the parking lot.

Remember nothing is more important than the safety of our little ones!

Our website will be down September 15 for a facelift! This process could take several days and will interrupt online payments. If you have scheduled or reoccurring tuition payments using our online payment system please make the needed adjustments now. We accept cash, check and credit and debit cards in the office for tuition payments. All the information from our website can be located in print from the office. We will notify parents when we are up and running online again.
