Thank you for your interest in supporting our efforts to serve the youth in Northern New Mexico!

Each year we depend on the generosity of many individuals, corporations, foundations, civic organizations and government funding to support our annual operating needs.

We provide scholarships for those who need assistance with our program fees. A contribution of any size will help make a difference in the life of a child. Investing in the Boys & Girls Clubs of Santa Fe/Del Norte is investing in the future of our Northern New Mexico communities.

As a non-profit organization, we depend on support from individual and corporate donations, federal, state and local grants, and special events to fund our annual budget.
