

## DDA's 17th Annual Choreography Contest!

Are you creative and love to make up your own dance routine? Do you want to be choreographer or dance teacher in the future? Or do you just want to have some fun?

Well here's your chance! Create your own dance for the choreography contest and a chance to perform in the recital! Here are the rules:

- Soloist and Duets but...
- If you choose to use more than two dancers, then you are responsible for payment of additional costumes
- All ages welcome to participate
- Dancers must be current students at the Dansville Dance Academy
- Routine must be at least 1 minute long but no longer than 2 minutes
- Song choice can not be one that is already being used in this season's recital
- Dances are judged on creativity, expression and uniqueness. I want to see your personality and your own creative style! Have fun and don't forget to think about the main elements in dance: Space, Time and Energy
- Winner(s) will be allowed to pick out their own costumes with a budget of up to \$65.00 each
- Winner(s) will have the opportunity to perform their winning routine in the DDA's 38th Annual Recital
- Dances must be completed the week of December 9, 2019

Have fun and "step out of the box" ...  
I can't wait to see what you create!
