

SUNDAY MORNING
meditation

The Bible is God's very own word to us. It gives us all we need to navigate the perilous highway of life. "All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right." God uses it to prepare and equip his people to do every good work (II Tim 3:16-17 New Living Translation). It's a vital part of all those things God "has given us that pertain to life and godliness" (II Pet. 1:3). It has life and power within itself (Heb. 4:12), a mysterious, divine power to change us, to renew our minds unto the perfect will of God (Romans 12:2), and to create in us that faith by which we obtain all His precious promises (Rom. 10:17). All for Jesus, Richard
