

48th ANNUAL GERANIUM SALE 2025

TO: AREA CHAIRS for West Suburban Delta Gamma Alumnae: Thank you for serving in this critical role for our annual fundraiser that supports Service for Sight, our national philanthropy, and for Scholarship funds. As an Area Chair, your outstanding effort makes our charitable work possible.

PLANTS/PRICES:

- 4 ½" pots: Hardy, dense, beautiful geraniums available in 14 colors/varieties (see white order sheet).
- Pictures of geraniums are available on our website (www.dg-geraniums.com). Note that colors may vary from year to year and may not look the same on all computer monitors.
- **\$6.00 per each individual plant (Note: Balcons cannot be sold individually)**
- **\$56.00 per Flat of 12 plants (12 of same color or 6 each of 2 colors, though Balcons must be sold in full flats of 12 plants—all one color— because they tend to intertwine)**

ORDERS

- Use the **WHITE** Order Sheet to record your own orders. Note that quantities by color are the numbers of plants, not flats. Keep this order sheet to track and sort your orders.
- Orders must be prepaid. Checks should be made payable to: **Chicago West Delta Gamma.**
- **If you have a roster we ask that you reach out via email to encourage them to sell to friends and family.**
- You should receive a **YELLOW** Recap sheet and check(s) from any salesperson on your roster (see Area Chair Salesperson Roster, if applicable) by the **SALESPERSON ORDER DUE DATE** (see below). **Keep the YELLOW** Recap Sheets for sorting your delivery.
- Record the figures from each **YELLOW** Recap Sheets (including your own) on the **BLUE** Master Recap Sheet AND in the Area Chair Balancing EXCEL file which does the calculations.
 - Note that all deliveries from the greenhouse are in **full flats** so, after calculating plant totals, round up to **full flats** and calculate any extras for each color/variety. The sum of by color plants should equal the sum of the total plant column. Again the EXCEL sheet will do these calculations for you.
 - If you choose (optional) to buy all of your extras upfront, record these above the totals. In this case the check totals including your cost for extras will equal the total flats times the flat price. If not buying extras upfront, the check total should equal the Total Cost column total.
- Return your **BLUE** Master Recap Sheet and all checks to Kim Gerber 206 Kings Court, La Grange Park, IL 60526 (708-466-6493) kimpgerber@gmail.com by the **AREA CHAIR ORDER DUE DATE** (see below). Email your balancing sheet or a photo of your blue recap to Kim and Sharon prior to sending your checks/recap.

Note Copies of geranium sale forms are available on our website: www.dg-geraniums.com

DELIVERY/EXTRAS:

- Delivery by the greenhouse will be on one of the **GREENHOUSE DELIVERY DATES** (see below). The delivery schedule will be provided to you when it is finalized. Please plan to have someone there to confirm that you receive the correct number of flats.
- Let your assigned salespeople know when the plants have been sorted and are available for pickup.
- You are under no obligation to sell or pay for the extras, however, efforts to sell any extras are appreciated! All money from the sale of extras should be sent by the **EXTRAS DUE DATE** (see below) to Kim Gerber.

IMPORTANT DATES:

- **SALESPERSON ORDER DUE DATE: Wednesday, March 26th** (Yellow Recap Sheets due to you)
- **AREA CHAIR ORDER DUE DATE: Wednesday, April 2nd** (Blue Master Recap and checks due)
- **GREENHOUSE DELIVERY DATES: Tuesday, May 13th & Wednesday, May 14th**
- **EXTRAS DUE DATE: Friday, May 30th** (Proceeds from sale of extras due to Kim Gerber)
