Are you someone with extra time on your hands and wanting to help out in your faith community? Our faith development team at St. Augustine's is in need of volunteers to help facilitate our sessions with the families. So let me ask you – Are you someone to whom faith is important? Are you someone who understands the importance of passing on our faith to others? Are you someone who wants to learn more about our faith while helping others learn as well? If you answered “yes” to even one of these questions – maybe our team is the place where you can act on that “yes”. The commitment is small but the rewards can be big. We are asking for about **an hour and a half of your time, twice a month** so you can help guide our families in their faith using a program that is fully prepared for you. Oh – and no resumes required.... just your willingness to pass on our faith.

The sessions & slide presentation are completely prepared and would be provided to you at least a week ahead of time. All we ask is that you take the time to fully prepare yourself by reviewing the session and slides so you can be comfortable with it on the day of the session. All items required for each session (snacks, crafts, handouts, etc.) are also prepared and will be ready for you at each session.

Please take a minute to look within yourself at the gifts the Holy Spirit blessed upon you and ask yourself if your gift is something that can be shared with our team. If so, please contact either myself at eileen.caissie@qasmoncton.com or the parish office for more information.

With peace & blessings,

Eileen

**THE BIBLE
TIMELINE**
The Story of Salvation

Are you looking for a new faith experience for this fall and winter?
Do you sometimes wish you knew more about our sacred scriptures?
Do you sometimes feel that the readings at Mass are beyond your reach?
If you answered 'yes' to any of the above, then maybe you should think about joining us for
The Bible Time Line: the Story of Salvation

“**The Bible Timeline** study program takes you on a guided journey through salvation history. Presenter Jeff Cavins will show you how fourteen of the Bible’s narrative books tell the biblical story from beginning to end and give you the keys to understanding the amazing story woven throughout Scripture.

In this revolutionary approach to Bible study, The Bible Timeline divides the Bible into twelve color-coded time periods that make it easier to follow its narrative thread. Using a unique color-coded chart, you will learn the major people, places, and events of the Bible and discover how they all come together to reveal the remarkable story of our faith. Through its 24 sessions, The Bible Timeline will teach you how to read and understand the Bible and introduce you to the wonderful narrative of the Bible in a way that will transform your life.”
