August 15, 2011

To Whom It May Concern:

This will confirm that Mr. Frank McLaughlin is a member in good standing with the largest racing pigeon organization in the United States of America. Our organization is the American Racing Pigeon Union (AU).

As one of the nearly 10,000 members across the United States, Mr. McLaughlin is required to maintain a healthy and clean loft. The loft management and care Mr. McLaughlin provides his registered homing pigeons is impeccable.

His loft is certified with our national organization (#124). To attain loft certification, Mr. McLaughlin has to follow our biosecurity measures, which were reviewed and approved by the USDA and are attached. His lofts have been inspected, found to be in compliance and accredited with national registration.

Further, Mr. McLaughlin enjoys a well-deserved exceptional reputation as a master breeder and successful competitor. He is well known not only in the United States, but also internationally because of the quality of care he offers his registered pigeons.

Mr. McLaughlin has been a pigeon fancier for nearly 40 years and is known for sharing his expertise and educating other fanciers. He is considered an expert and serves on the AU's Speakers' Bureau. Frank also gave selflessly as a director of the national organization serving as the AU NE Zone Director for many years.

He is also known for assisting new and seasoned flyers and supports many charitable projects through donations of quality birds. Often funds from these contributions are used to assist local clubs and affiliated organizations, museums and charitable causes (cancer research, etc.).

His reputation is unparalleled in the racing pigeon industry worldwide. Personally, I am proud to know him. On behalf of our national organization, with confidence I tell you we are fortunate to have such a well-known and well respected fancier in our ranks.

Please feel free to call on me if I provide additional information, answer any questions or be of assistance.

Sincerely,

  
Karen Clifton  
Executive Director

Member Federation Colombophile Internationale (F.C.I.)
