

ANNUAL NEW MEMBER SPRING BRUNCH

**Sunday, March 11, 2018 ~ Noon to 4:00 p.m. at
The Head of the Bay Club
191 Bay Road, Huntington, NY**

WE HOPE YOU ARE ABLE TO JOIN US IN WELCOMING OUR NEWEST MEMBERS, RECONNECTING WITH OLD FRIENDS, SIGNING-UP FOR 2018 CLUB CRUISES AND SHOPPING AT THE SHIP'S STORE- opening under new management!

Speaker: 'TK" Knutson will provide us with a nostalgic power point video of the art of wooden boat building in the family yard in 1952. You will see steps in construction of the K 35 racing one design, from setting the keel to raising the mast. Shots are also seen of these boats racing within the then, open waters of Huntington Harbor, now filled with boats closely moored together.

He will continue with still shots of historic value of the waterfront and various structures, some of which are still there.

We then will open up to taking questions for a loose free running talk of how the waterfront has changed over the years.
