

Kym Buchanan

Personal Mission

I am a lifelong educator, driven by a bedrock belief in the power of quality teaching and learning to profoundly change individuals, communities, nations, and humanity.

Personal Vision

I will live and lead by example, with positive energy, compassion, flexibility, multiplicity, and perseverance. I will be honest with myself and others. I will model **Trying Trio** behaviors, and help create spaces in which others feel comfortable trying them, too.

Personal Core Values

- **Adventure**, because we must **reach2grow**
- **Collaboration**, because sharing ownership motivates greatness
- **Honor**, including duty, integrity, & high ethical standards
- **Imagination & Play**, to grow creativity & feed my soul
- **Family & Friends**, including support, sacrifice, & reality checks
- **Optimism**, including faith, hope, & resilience
- **Pluralism**, including defending everyone's right to be themselves
- **Quality**, because greatness is built brick by brick
- **Sustainability**, including in people, systems, & institutions
