## **GRADES 4-5, 6-8 AND 9-12** **FREEDOM CONTEST**

The contest features the theme, "It All Comes Back to You." The slogan presents multiple messages: a recycled product or material can return to consumers as another product; recycling comes back to consumers as an improved environment; and it is everyone's responsibility to recycle.

Create something relating to recycling. Paint, draw a picture, write a poem, create a game, compose or sing a song, make a short video, write an essay, mold a sculpture or create a collage including a theme of recycling. Teachers may assign a media as part of a classroom assignment.

On the back of each entry or in the body of the email please include your name, age, grade, home address and telephone number. Also include the name of your school or organization, your teacher's or sponsor's name and contact information for them.

One winner in each age group will receive a \$250 gift card. The winner's associated group/teacher receives a \$100 gift card.
