~OCTOBER NEWSLETTER~

We are already one month into dance! A lot of classes have begun their dances and the rest are getting started. **Please make sure you have placed your child's name in each of their shoes as they arrive!** If you have any questions or concerns about shoes or costume deposits please ask. ☺

Little Caesars Pizza Fundraiser

Thank you for taking advantage of the Little Caesars Pizza Fundraiser! I am thrilled that so many families sold and profited as much as they did to help alleviate dance costs. Pick-up will take place at Studio 7 on **Wednesday, October 17th from 4:00-6:00 pm** (dance will be cancelled for Regular 7-8 and the first half of Regular 12-13. We will dance from 6:15-6:45. All other classes will meet at their scheduled time.) Profit slips will be distributed at dance before pizza pick-up. Please return those slips so I know how you would like to spend your profit money (you made \$5.00 per kit.) I will apply it accordingly toward costumes and tuition. Any additional profit will be credited to your account to use at a later time. Please keep the second half of the slip for your records so you can keep track of how your profit has been used. Please be aware that ALL profit must be used within the 2018-2019 dance season.

Costume Price List

Each student will receive their costume balance sheet the second week of October. A \$30.00 per student Registration/Costuming fee was applied at the start of the year and has been deducted from the total cost. Half of the total payment is due by **Thursday, October 27, 2018**. Final costume balances are due by Thursday, January 17th, 2019. Please use the costume deposit envelope in your payment book when submitting your payment. Remember you may apply your Little Caesars profit toward this amount.

Tuition

I appreciate your promptness in dropping off your payments. I hope the payment books are working well for you. Please remember that payments are due the first lesson of every month and a \$5.00 late fee will be applied if a payment is received after the first lesson of the month. Please make other arrangements to submit the payment if your dancer should miss dance the first lesson.

Shoe Orders

If you are yet to order shoes, you definitely need to get on that PRONTO as it is really important to have shoes on your child's feet for practice, especially tap! Shoes are available at the studio for sizing. Please take advantage of sizing your child FIRST before ordering. Make sure you use my teacher code- **119974** when ordering from Discount Dance to get your 8% discount!

→ **Hip Hop C, D, and E Classes** Hip Hop dancers in C, D, and E classes will be ordering black high top sparkle tennis shoes. Orders forms will be sent home and shoes will be in the lobby for sizing once they arrive. Order forms are due by Thursday, November 1, 2018.
