Hawaii United Church of Christ (UCC) Conference

Held an on-line State-wide Zoom meeting regarding Covid19 at 10:00 Thursday morning. The highlights:

- All Hawaii UCC Churches are asked to forgo public worship until mid-May for now. Churches can still live-stream an abbreviated version, with ten or less persons (and we will)
- All churches will make sure everyone in their congregation is checked in with by phone, to "phone shepherd"
- The Conference Office will be communicating weekly
- All Churches are encouraged to share information and practices

As a result, for us,

- The Deacon of the month, Mary, and I will meet in the sanctuary Sunday at 9:00 or so to plan and lead live-stream worship at 10:00 If you would like to come help let me know, we'll coordinate how many of us in-total gather
- To provide steady weekly information, I am working up a short 5-10 minute "Live-Stream UpDate", probably for Thursday evenings. It will be in addition to this regular email weekly UpDate
- Annie is on flexible on-site hours and working remotely
- I will keep regular office hours for now

Our Church Community includes those who have gone on before us
