FREE Online Viewing of Missy Wryn's Horse Training & Wellness Videos NOW Available

Watch online for FREE! Missy Wryn's signature Zen style horse training & wellness videos are ALL available for FREE viewing on her website [www.MissyWryn.com](http://www.MissyWryn.com). Over 250 hours of "how to" horse training and horse care from her classic [Clinic Highlights](#) filmed at her Zen Barn to the entire [Training the Whole Horse®](#) video series. Why is she doing this?

"I have decided that sharing my videos freely is far more important in these times when people are seeking authentic relationships with their horses while struggling to afford their care and management. Between my *Training the Whole Horse®* techniques and my *HorseMAREship™* methodology I not only teach how to train horses using instinctual body language without force, bits or devices, I also teach cost savings horse care that can reduce your feed bill and veterinarian costs – my personal horses have not had or needed a vet visit in over 7 years. When your horse can trust you, is free from pain and in good health, your relationship deepens authentically – your dream horse emerges".

You can still purchase the [Training the Whole Horse DVD Series](#) for your home library at a discounted price of only \$29.85 by visiting Missy's website at [MissyWryn.com](http://MissyWryn.com) or call (888) 406-7689.
