

SAPPA SCHEDULES A MEETING

RE: Getting Lawsuit Noticed (Purpura v. Christie)

TPATH ~July 20, 2017~ Even though there will be not much to do concerning legal filings or other work regarding the ***Appeals Writ*** until such time that this case gets docketed, all the work that several of the ***SAPPA*** members have done, now stands in need of patriot support.

There are but a few months between last week's filing and the announcement by ***SCOTUS*** as to which of the thousands of cases submitted, it will hear.

Please visit <http://www.tpath.org/sappa-group-announcement.html> for more information.

During this time period much needs to be done to help this Writ become noticed and docketed. The SAPPA Group as directed by **Mr. Purpura** has taken several steps to aid in that endeavor. There are many options open to us, but we need help. One of the most important things we need help with is ideas. We need brainstorming input from all who care about this issue.

Please be advised that **anyone who wants to help** or thinks he/ she may have ideas and would like to join this meeting, you are welcome. It does not matter if you have been part of the SAPPA Group effort or not. Now is the time you can jump on board and help this venture succeed.

The meeting place has not been set but will be in a central NJ location. The number of people who sign up will determine where it will be held. The proposed date and time is the first Wed evening in August. That would be **August 2nd at 7:00 PM.** (This is tentative and could be changed.)

Please email us at TPATHWPE@OUTLOOK.COM if you would like to attend. We will contact you in a few days. REMEMBER ALL WHO CARE ABOUT THIS ISSUE ARE WELCOME.

Regards,
Nick P., Dwight K., Joe F.
