Letter from the Vice President

Greetings fellow neighbors! This year went quickly as they always seem to. It's been a pleasure serving on the board again. I'd like to be honest and forthcoming here by stating I sure wished other members would serve on the board or as committee chairs. We have a very nice community and it would just be nice to see and have more involvement. If more people participate, the less work it will be for all parties. These are just my thoughts and wishes. Some of the tasks and duties are very outdated and take time, the Treasurer position especially. We're looking into options on how we can change that by allowing the community to be better informed and have access to more update information, and much more. This is something to be shared with you at the January meeting and still actively being researched too.

I hope to see you at the January meeting. I am still Vice President and since the President is vacant, I perform those duties, too. I am looking for someone to step up and help me with either position. This isn't the year for these two officer positions to be voted for, so it would be appointed positions. Looking for someone to say, "I will help!" This will be my last year to serve on the board. I've given enough time to this and will be moving soon as well. When these positions come up for vote next year, candidates will be needed.

The other positions that are up for vote are the Recording Secretary, Corresponding Secretary, and Treasurer. We are actively seeking a person to take on the Treasurer position because Amy Lingo will not be seeking re-election and is stepping down. Annie Guereca and Gail Deckert have graciously agreed to run for re-election for their positions. Gail would like to see someone take her position but, she will serve if nobody volunteers. So, if you're interested in volunteering, please let me know through our community email nrecommunity@gmail.com.

Again, Hope you and your family have a safe and Happy New Year.

Mary Stotler, CNRE Vice President

Letter from the Treasurer

The Q3 Financials are completed and balanced. They will be attached in the email that includes this newsletter. Since we didn't have an official Q3 CNRE Community Board Meeting, please accept this report as the Q3 Financial Report. They will also be available at the meeting for viewing.

I will present the Q4 Financial Report at the January Q4 CNRE Community Board Meeting. Anyone may request a copy of them at anytime.

I will not be seeking re-election for Treasurer and I pray that someone will be nominated to serve in this position for 2025-2027 term.

Amy Lingo, CNRE Treasurer
