Our invite to you

Dear {forename},

Thank you again for applying to UEL. We're delighted to have made you an offer and very much hope that we will be welcoming you to study here in the near future.

Now that we've made you an offer, the next step is to come and experience what it's really like to study at UEL. You will find enclosed a copy of the programme for our next invite-only Offer Holder Day on **Saturday 25th April**. Full details of the subject sessions will be available soon at uel.ac.uk/offerholder2015. If you are unable to attend on 25th April and would like to make arrangements for an alternative visit, please telephone the enquiries team on **020 8223 3333** or email **study@uel.ac.uk**.

We're really proud of the positive impact UEL staff and students are making in local communities all over the world. At the Offer Holder Day, you can learn more about the opportunities to work or volunteer off campus on real-life projects. Whether it is rebuilding houses devastated by Hurricane Katrina in New Orleans or running science and engineering clubs for children in east London, our students are learning by doing. They gain valuable real life experience that benefits them as much as the communities they support – it's one of the reasons why 87% are in work or further study six months after graduation.

You'll have the opportunity to talk to both staff and students during the event or take tours of the campus, including accommodation, to see for yourself the improvements following our £170 million investment in facilities. Our range of fun subject taster sessions will allow you to experience what it would be like to study or work in your chosen subject area. You'll soon understand why we have an impressive 83% student satisfaction rating.

Please note that places must be reserved in advance, so book your place today at www.uel.ac.uk/offerholder2015

Finally, we appreciate that travel costs can become expensive, particularly if you are visiting more than one university. As a token of our appreciation, we'd like to offer you a **£20 Amazon voucher** to offset your expenses, which will be emailed to you following your attendance at the event.

We look forward to seeing you.
