

## STATISTICIAN REMARKS

### PLAYER OF THE YEAR CRITERIA

#### MADE SOME CHANGES FOR 2020

THE ONLY WAY TO COMPARE EVERYONE IN A TOURNAMENT IS TO USE A HANDICAP SYSTEM. I AM USING 85% BASED ON YOUR WEEKLY NATSTAT AVERAGE. EVERYONE IS THEN RANKED TOP TO BOTTOM BASED ON NUMBER OF TOURNAMENT ENTRIES AND GETS ONE POINT PER POSITION. THE OVERALL TOURNAMENT LEADER RECEIVES 3 ADDITIONAL POINTS.

#### PARTICIPATION POINTS:

- TOURNAMENTS 1 THRU 8---1 POINT
- TOURNAMENTS 2 THRU 15--2POINTS
- TOURNAMENTS ABOVE 15---3 POINTS

ALL TOURNAMENTS ARE THEN SUMMED FOR A CUMMULATIVE SCORE.

AFTER THE LAST TOURNAMENT AND PRIOR TO THE STATE, I WILL AWARD POINTS BASED ON YOUR NATSTATS INCREASE (2 POINTS FOR EACH 1 PERCENTAGE OF IMPROVEMENT). NO DEDUCTION FOR A DECREASE.

THE MOST IMPROVED PLAYER FOR THE YEAR WILL RECEIVE A 10 POINT BONUS. THIS COULD WIN YOU THE TITLE SO ALWAYS PITCH TO YOUR HIGHEST POTENTIAL.

ANY QUESTIONS, E-MAIL ME.

PVHIGHLANDER@ATT.NET

WHO IS GOING TO STEP UP IN 2020 AND GIVE JIM ZIM A RUN FOR THE TITLE? THE NEW FORMAT HOPEFULLY MAKES IT VERY COMPETITIVE, BUT IT IS GOING TO TAKE PITCHING IN 20 TOURNAMENTS TO GET THE TROPHY. TIME FOR A 40-FOOTER!!!!!!

Once again, I have to give a big thanks to Billi Smith for helping run tournaments throughout the association. Without her help, you definitely would not be seeing weekly results in a timely manner on our website.

That being said, I truly feel that the tournament directors at all locations should know how to use the HSMaster program. In today's age of technology there has to be a laptop available to you to enter the data. I am willing to meet and train people on this program; just give me a call. 919-609-5743

**REMINDER FOR EVERYONE:** HIGHEST SEEDED PLAYER GOES ON LEFT SIDE OF SCORESHEETS. THIS HELPS TO ELINIMATE ENTRY ERRORS AND MAKES THE JOB EASIER!!!!!!
