To all Students/Parents:

Hello, I hope this letter finds every one healthy and safe. In regards to the Coronavirus, we are part of Phase 4 for reopening. We are currently closed until the NYS opens for Phase 4. The recital dates, June 13 & 14 have been canceled. With so much time missed all of our instructors have decided not to reschedule and try to make a show happen. The dancers would not have enough time to be ready to perform. We will be crediting all students that have payed their recital fee and costumes will be handed out when we can do that.

I found that continually making decisions and plans, only to have them change a day later, was mentally challenging. We have also decided not to have a summer program and we are looking forward to starting dance again for fall September 8<sup>th</sup>. We will be mailing out schedules to everyone the first week of August.

I do keep a post on the website for you to check on updates. Also feel free to email or call with any questions or ideas you may have. Email: [dancebiz@rochester.rr.com](mailto:dancebiz@rochester.rr.com), or 254-0300.

Posted below you will see any balance due or credits you have. Please keep this for your records. Please let me know if you have any questions about the charges and credits below. With the understanding of these difficult times, if you can get any balances due paid by September that would be greatly appreciated. **Please Keep This For Your Records.**
