'But I would not have you to be ignorant, brethren, concerning those who are asleep, that ye sorrow not, even as the others who have no hope. For if we believe that Jesus died and rose again, even so those who sleep in Jesus will God also bring with him. For this, we say unto you by the word of the Lord, that we who are alive and remain unto the coming of the Lord shall not precede those who are asleep. For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trumpet of God; and the dead in Christ shall rise first; then we who are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air, and so shall we ever be with the Lord. Therefore comfort one another with these words.' - 1 Thessalonians 4:13-18

A while back I had designed a t-shirt for family and friends that depicted a graphic incorporating the possible Rapture Zone to the timespan of the Tetrad Blood Moon sequence ending on September 28, 2015. I have been encouraged to make it available to the online fellowships as it is a great witnessing tool. People will actually come up to you and ask, *'what does it mean'* as there is Greek and astronomical symbols. The layout is very simple but packed with significance and a great conversation starter to ask people if they are 'Rapture Ready' as the Church could be entering the 'Rapture Zone' in this generation.

The graphic is not insinuating that the Rapture will occur on that specific date but that it could be a sign of the nearness of the Rapture event that could occur within the 'zone' after the Tetrad. At the top of the graphic is the Greek word ἁρπαγῆσόμεθα (Harpagēsometha) alluding to Harpazo and from where 'Rapture' is taken from. This word is often attributed to being the description of the Rapture event. The term has a connotation of a 'snatching away'. The theme of the t-shirt graphic is based on 1 Thessalonians 4:13-18 where the Apostle Paul encouraged the Saints to not loose heart. The issue was about those who had died in the LORD.

Paul taught that they would eventually see their saved loved ones who had died and that they would be coming back with the LORD at the time of the Resurrection. This was common knowledge among the Jews, but what was novel is that the Apostle Paul taught that there was a mystery component to the Resurrection, the Mystery of the Rapture. He now revealed to the Church of a Rapture *Harpagēsometha* to regather with the Dead in Christ all those that will be alive as well at the time of the Resurrection. It would be a time where both would converge with their new glorified bodies. This verse presents a context that the Rapture of those remaining alive is the same event as the Resurrection of the Dead in Christ is a singular event made up of 2 components.

The Re-gatherings

The Apostle Paul taught that to be absent from the body is to be *'face to face'* with the LORD. Physical death is the separation of the triune components of a human being that has been created in the very likeness and image of the triune Creator, the Father, Son and Holy Spirit. A human being is thus made up of the Soul, Spirit and the Body. At the point of physical death, the Spirit and Soul are with the LORD, the Body remains on Earth. What occurs at the time of the Trumpet Calling of the Archangel is that the 3 are reunited for those died in Jesus first. In the case of those who died first, their body composition is still in the domain of the Earth and on Earth although decomposed. The LORD will reassemble the body components based on the genetic code that like a thumb print every human has and is unique. In this case, it will be a glorious reunion in a metamorphosed body which the Bible alludes to the Glorification of the Body.

It is what the Apostle Paul calls the transformation from mortal corruptibility to immortal incorruptibility. For those that are alive at the time of the Call, the current physically bodies of Believers in Jesus, although defaced by sin will be transformed also into the glorified eternal state as Jesus has now and acquired after His resurrection. The LORD Himself attested to this fact as *'flesh and bones can enter the Kingdom'*. This type of the new state of being is how Hebrews 7:16 describes it as *'who has become such not on the basis of a law of physical requirement, but according to the power of an indestructible life.'* What is spectacular to consider is that Believers in Jesus have this 'indestructible life' now. Although Believers have had to experience death, or as some are murdered or martyred, the Bible teaches that Jesus has taken the sting out of death and the dying process.

What is amazing to consider is that the last generation that will be alive at the time of the Calling from up High will not experience this physical death or separation. It is also amazing to consider that that a glorified resurrected man in the flesh currently resides at the 'Right Hand of the Father' in the very Throne Room of Heaven. Jesus' gloried body is of flesh but incorruptible, indestructible and without blood. He still has the marks of the wounds of the crucifixion as an eternal memorial of what His physical body was subjected to, torture. Satan and his minions perhaps may be allowed to murder and martyr Believers but they can only kill the current physical body that is the temporary receptacle of the Soul and Spirit. As it is now, Believers in Jesus have this position of glorification in Christ although in 'Earthen vessels' presently.

The assurance and 'down payment' or deposit of this promise of a future glorification and with the new body is the sealing of the Holy Spirit given to the Church since Pentecost. As it is, Pentecost was the first fruits of the harvest to come that the Resurrection and the Rapture are all about. Jesus was the 1st in the order of the Resurrections as the First Fruit and occurred most appropriately on the Feast of First Fruits. The witnessing Angels attested to the Rapture of the LORD to the Disciple of the fact that His Followers would also follow a similar Resurrection and Rapture order. For those that remain alive at the time of the twinkling of an eye event, it will be a special time as those alive are to be the last generation to be alive that will be the ones that will not experience death, which is the separation of the soul-spirit from one's bodies.

Such will walk into eternity, alive and be raptured or snatched away into immortality as they experience the same metaphorizing of the body as the Dead in Christ who went up before. This 2 component Resurrection-Rapture event will be also a rendezvous as the meeting place will be in the air. From that place of gathering, the LORD as the Good Shepherd, the expectant Groom will usher in the Bride to the Halls of Glory. Realize that this 2 prong event takes place in less a split second, literally. A twinkling of an eye is calculated to be approximately within the following speed. On average it can be simplified as being 1/100th of a second.

8.23 - 5.19 millisecond.

The Rapture Zone

How the Rapture Zone is possibly tied to the end of the Tetrad of 2014-15 is that based on the celestial signs and patterns of the Jubilee, solar, lunar and comet patterns, it appears that the end of the Tetrad is a convergence of prophetic time of sorts. The Rapture does not need to be tied to the Tetrad sequences but it is an interesting supposition to consider. The possible timing of the culmination of the Tetrad sequence since 1949 then 1967 could be in synch with the Jubilee timetable since 1966, if it is an accurate rendering. It is exciting to speculate that perhaps the 3rd Temple might be implied by the end of the 2014-15 Tetrad that ends on a Super Moon. The following Tetrad sequences are suggested to correspond to their prophetic implication.

Prophetic Tetrad sequence

1. 1949-50 = Nation birthed (Israel)
2. 1967-68 = Jerusalem recaptured (Temple Mount)
3. 2014-15 = 3rd Temple built (5776)?

This is the same sequence but in reverse order of the Olivet Discourse of how Jesus predicted how the destruction of each would happen; to the Temple, the City and the Nation. It appears to have been a blueprint of Israel's restoration in successive instalments to culminate at the return of the Jesus as described in Zechariah 10-14. What is unique about the Tetrad sequence is that the pairs occur on Passover and Sukkot, the first and last Holy Feast Days of YHVH. Here is clearly an inference or perhaps an encryption of the Aleph and the Tav; Jesus in the very DNA of the Tetrads.

Astronomically, in particular these last 3 Tetrad sequences have occurred in either Virgo or Pisces. They alternated back and forth as to signal that the Tetrad could be part of the signs corresponding to the Virgin Bride of Christ that has made up the Church Age of Pisces. It is very clear that the Bible ascribes the Followers of Jesus as being Wise Virgins or supposed to be. Nonetheless, the Rapture is about a reunion, a re-gathering; a long sought-out and longed for seeing of the face of Jesus...the Groom, the Kinsman-Redeemer. The race has been run, the fights have been fought, and the work has been done. The Rapture will usher in a new time, a new existence and condition where there will no longer be the sin nature or temptation plaguing the physical body, mind and soul. It will be a time when a Believer in Jesus will be in the mysterious union with the LORD as a husband is with a wife; separate yet together.
