HYATT FAMILY REUNION
August 4, 2018

Reunion President Fred Liner welcomed all in attendance to the reunion at noon and then had the prayer blessing the Reunion and the meal.

At approximately 1:00 pm President Liner welcomed everyone who traveled near and far to both the Business Meeting and the Reunion. There were 4 in attendance from South Carolina, 9 from North Carolina, 3 from Tennessee, 1 from Georgia, 1 from Texas, 1 from Alabama, and 1 from Florida. President Fred then reminded everyone to make sure they sign the attendance roster if they had not already done so.

The meeting then proceeded to the election of officers. There being no nominations for any position President Alfred Liner and Reunion Hostess Victoria Sowers agreed to serve for another year.

An update on the website was given by the webmaster and President Liner. President Liner asked everyone to help by providing important family information that they become aware of throughout the year.

President Liner then presented the financial information and discussed the expenses for the reunion. It takes about \$400 a year to cover the reunion expenses (cemetery maintenance, reunion hall rental, website costs, and mailing costs). A collection to support the reunion expenses was taken. \$224 was collected and that along with the \$270 in the bank account should cover the upcoming year.

Robert Hyatt discussed the maintenance of the cemetery and two flags that were placed on the cemetery by an anonymous donor.

Each family introduced their family provided interesting stories and reminiscences to the group. Also discussed was how to best encourage families and get the word out about the reunion and how to increase attendance.

At the end of the meeting everyone gathered for a group photo. Ron Sowers took the photo and the photo is posted on the Hyatt website: www.thehyattfamily.org.

The meeting adjourned at approximately 2:00 pm and there was continued fellowship and clean up of the fellowship hall for a while.
