**Important 2019 Fee Information for All Daycare Families:**

One of the more important tasks of the Board of Directors is to determine the annual budget for the daycare, including the childcare fees. The annual budgeting process requires that we review and consider the impact of issues including the overall sustainability of the centre, cost of living, staffing needs and quality of childcare, as well as assessing the fees charged by comparable programs and the cost of competing for high-quality staff.

After a thorough review of all the factors and issues that impact Jackman Community Daycare operations, the Board voted unanimously to approve the 2019 budget, which included a fee increase. The increase will help us attract and retain quality staff and maintain our focus on high quality childcare. Please find the 2019 fees outlined in the chart below. Any questions can be directed to Donna Spreitzer, Executive Director / Supervisor.
