

2020-2021 Registration for Lafayette Academy KINDERGARTEN

Please initial on the lines:

\_\_\_\_\_ I understand this registration form and a \$60 non-refundable registration/materials fee (per family) secures my child's placement for the 2020-2021 school year. (Please include registration payment)

\_\_\_\_\_ I understand space is limited, and that placement is on a first-come, first-served basis due to the number of available spots.

- *You are registering your child for kindergarten at Lafayette Academy. Your child needs to be 5 by August 1st to register for this class.*

Tuesday, Wednesday, Thursday & Friday, 11:30-3:00, \$395/month or \$3,950 for the year

- This class will be taught by 2 certified teachers! Mrs. Rachel will be your child's teacher along with Mrs. Katie as the assistant.
- We will use the Indiana academic standards as our guide along with New Albany-Floyd County Schools' benchmarks.
- Your child will enjoy a typical kindergarten experience but with the benefits of a shorter day and a more play-based environment.
- Your child will need to eat lunch before arriving but will have snack each day at school.

(Our back to school packet is available on our website under classes. In the packet you will find our new precautions we have set in place due to Covid-19. Students are not required to wear masks and teachers will wear them when they cannot socially distance. We are limiting adults in the building and have safety checks in place upon students' arrival. Additional intentional cleaning and disinfecting is in place throughout our day and week. See packet for more info.)
