What Mass Means: How Sacrifice and Real Presence Are Life-Changing

We tend to think of "sacrifice" and "real presence" as doctrines to believe in – perhaps with some vague awareness of complicated medieval terms such as "transubstantiation." But the logic of the liturgies of the various Christian traditions, and the whole point of the Vatican II renewal, is that our liturgical sharing in Christ's dying and rising is meant to transform us individually & communally. The implications are huge!
