

Maggie Scholarship Fund

The Maggie Scholarship Fund was created to provide financial assistance opportunities to Carlynton High School graduating seniors. Named after Margaret Rushnik Bunio, a graduate of Carnegie High School, a person who valued all forms of education and learning, the scholarship is intended to provide partial funding for deserving high school graduates that want to further their education and training. The recipients of these scholarships will be selected based upon their personal character, work ethic, attitude, and other qualities. The scholarships can be applied towards technical schools, nursing schools, trade schools, junior colleges, colleges, and universities. The major target is to provide assistance at obtaining the 'education/training' to obtain meaningful employment and carry forward the tradition of "being your best" developed by the Carlynton School District system.

Recipients will be selected by a committee of CHS graduates serving the Maggie Scholarship Fund process. Recipients will be announced at the Senior Awards Banquet.

The scholarship is a one-time award of \$5,000. There will be four scholarships awarded each year. Completed applications must be typed and returned by March 29, 2019 to the Carlynton High School main office. No handwritten applications will be accepted.
