Safety Precautions

We will not have a common food table. provide your own snack if you desire.

We will practice social distancing when possible.
mask wearing will be up to the individual.

SEE YOU ON THE DANCE FLOOR!

President Carl Neely

Greetings Everyone,

Boy time is flying by and October and the start of the fall/winter season is almost here. By now we have all returned from SOS Fall Migration and are trying to recover from all the good times we had. Our September dance featured “Johnny B” as our DJ. I think everyone had a good time but there were lots of conflicts with the holiday weekend that really affected our turn out. In other word we had a very small crowd, but let’s move on.

November is coming up soon and that is the month that we start our re-up campaign for the next year. We are going to include a re-up form in the next couple of newsletters so of our current members and those who did not re-up from last year can go ahead and get signed up for next year. Face it, it is a great deal for \$20 buck to have a night out once a month with friends, good music, lots of fun and dancing. So, get a head start and either mailing your re-up form to the club’s Post Office box or bringing your re-up form to the next dance. We are planning to offer dance lessons to members (starting in January) at 6:30 pm prior to each dance.

Covid concerns are still being a big factor with our club’s activities. I feel that these concerns were a big contributor in our small turnout for our September dance. Some of our members have visited neighboring clubs in the past few weeks and have seen that others are facing the same issues. We have decided to continue table snacks and no common food table policy for the foreseeable future. The option of wearing a mask, fist bumps and social distancing are our new normal. We have to be very mindful of each other when we get together and make every effort to stay safe.

Our next dance will be on Saturday October 2nd at 7:00 pm at Spring Lake Country Club. Tommy Samole will be our DJ. The next business meeting will be on October 14th at 6:30 pm.

This month’s joke.

An old man and his wife both go to see the doctor for their annual check- up. The old man goes in first and the doctor gives him a complete physical. He checks out fine. The doc asked him if everything ok and if he has any concerns. The man says he’s fine. The doc says well how is your sex life. The old man says, it is really good but, when we have sex the first time, I am always very cold when we finish. Then, when we have sex the second time, I am always very hot and sweaty when we get done. The doc says well that is very unusual but otherwise you seem to be in good shape. The wife is next. Her physical checks out great. The doc asks her if she has anything she needs to talk about or if she has any concerns. She says no. The doc says well, how is your sex life. The wife is sort of embarrassed but says it’s great. The doc says well your husband tells me he gets really cold then really hot when you two have sex. The wife says to the doctor, that is easy to explain. The first time is always on Christmas Eve and the second time is on July 4th.

Well, it’s time to tell Jeannie to get in the truck!

Carl
