Committee Description:	
<p>Student Development: The purpose of the student development is to lead the Student Leadership Conference aimed at providing TRIO students, both pre-college and college, the opportunity to attend a professional conference. The key roles are to lead and coordinate the SLC conference pre-planning and the day of the event. The conference also provides an opportunity for TRIO students to mingle with one another and build community among the SoCal TRIO family.</p> <p>TRIO Day: The TRIO Day Sub-Committee’s purpose is to hold annual service events for members of the WESTOP SoCal Chapter to commemorate the National TRIO Day initiatives that have taken place since the inception of the congressional resolution (<u>H. Con. Res. 278</u>) in 1986. Events should take place, when possible, the fourth Saturday of February. TRIO Day events should allow chapter members to focus their attention on the needs of disadvantaged and provide TRIO participants with the opportunity to give back to their local communities through acts of service.</p>	

Committee Goals & Priorities
<p>Student Development: Goals-</p> <ol style="list-style-type: none"> 1. Have a smooth running SLC conference as we did last year. 2. Have both students and staff understand the activist historical background of CSUN and the establishments of the ethnic studies programs and equity programs. 3. Make this day both fun-filled and educational for pre-college and college students and staff.

Priorities-

1. Create a strong committee and have everyone understand their roles and responsibilities.
2. Focus on providing workshops that would be beneficial for both pre-college and college students.
3. Have both students and staff leave CSUN truly understand the welcoming campus culture we have.

TRIO Day:

Goals –

1. Transition with the previous Sub-Committee Chair, Laura Orozco;
2. Communicate updates to the WESTOP SoCal Board and Members;
3. Implement seamless events at our current 3 locations: Los Angeles, Inland Empire, San Diego

Priorities –

1. Transitioning as the primary contact for each of our service sites;
2. Gather all pertinent information so that RSVP information can be sent to the membership;
3. Create sub-committees for each site for day-of implementation;
4. Create follow-up surveys so that data can be used to enhance the next year's TRIO Day;

Committee Updates

Student Development:

1. SLC is set to take place at CSUN on Saturday, April 4th, 2020.
2. There are many committee roles open, if anyone is interested in joining the committee please reach out to me. I would be more than happy to incorporate you into the conversation.

TRIO Day:

1. As the previous TRIO Day Chair reported in her May 2019 report, TRIO Day events were booked for Saturday, February 29th, 2020; however, our goal is to move it to the 4th Saturday on February 22 to be aligned with National TRIO Day.
2. Once dates are transitioned I will identify members who are committed to attend at each service site to serve as the lead for day-of implementation to form the sub-committee for TRIO Day.
3. I am reviewing the COE National TRIO Day Action Packet to determine how we can utilize the resources to strengthen our events and bring positive exposure to the work that we are doing.
4. I am reviewing the feedback for recent TRIO Day events including the cost for the event and what the cost covers (food, shirt) in order to finalize details for TRIO Day 2020.
