REACH, Inc. – Community Outreach

Staff are requesting Clorox swipes, cleaning supplies and laundry detergent for the Safe House.

As the staff travel to the schools to discuss domestic violence, they have identified a need for children’s underwear and socks of varying sizes. They have also adopted some families to help as well. If you have items of clothing (clean and in good condition), children’s books, etc. to donate please place them in the blue bin located in the pantry. Check out the clearance section at Walmart next time you go shopping.

Stacy can always use some **small tote bags** and small travel size items to fill them with, e.g. travel size shampoo and conditioner, toothbrushes, tooth paste, travel size deodorant, hand sanitizer, etc. She is having difficulty finding small bottles of hand sanitizer so next time you go shopping pick up a few bottles..

Please contact the REACH office staff if you have furniture you want to donate to arrange pickup by the Thrift Store volunteers. They also ask for cooking utensils for helping them start over. So, if you have something you no longer want, they could use them. Often the victims leave home with only the clothes on their back, so they are given clothes, furniture, and items for the home from the Thrift Store until they can get back on their feet. They also can use items to help their self-esteem and pass the time until they can be placed in a safe environment. You can provide puzzles (500 pieces or less), adult

coloring books, reading material, make-up, nail polish, hair clips, etc.

Volunteers and donors are always needed. Call the office at 828-837-2097 or 828-837-8064 for more information. Local REACH covers Cherokee and Graham County.

Weather Can Be Unpredictable!

Be careful when driving because of the early morning fog. Wet roads can be hazardous for 'black ice'. Snow and rain can also create visibility issues. Heed the weather alerts and do not drive if you don't need to be out.

People are still suffering through the impact of hurricanes and tornadoes. There have been deaths most recently during the recent blizzards and snowstorms.

New Songs

Do you have a new song you would like the congregation to learn or a favorite song you would like to hear? If you do let Roy Goodlet know.

Please be thinking of what you would like to bring to share. Keep in mind that we are a small congregation when deciding how much to bring. We always extend an invitation to our visitors to remain after morning worship so we can get to know them.

FOOD FOR THOUGHT

A pastor asked an older farmer, decked out in bib overalls, to say grace for the morning breakfast. "Lord, I hate buttermilk", the farmer began. The visiting pastor opened one eye to glance at the farmer and wonder where this was going.

The farmer loudly proclaimed, "Lord, I hate lard." Now the pastor was growing concerned.

Without missing a beat, "But Lord, when you mix them all together and bake them, I do love warm fresh biscuits. So, Lord, when things come up that we don't like, when life gets hard, when we don't understand what you're saying to us, help us to just relax and wait until you are done mixing. It will probably be even better than biscuits. Amen"

Within that prayer there is great wisdom for all when it comes to complicated situations like we are experiencing in the world today. Stay strong, my friends, because our LORD is mixing several things that we don't really care for, but something even better is going to come when HE is done with it!

A Night in Bethlehem 2023
