A level of Christian maturity is combining money and the Christian life rather than separate them from one another. *(From Healthy Congregations Workshop 1).*

Inclement Weather Policy: If the Clarksville Montgomery County School System closes schools for inclement weather, the church office will also be closed, and all church related activities for that day will be cancelled. If students are dismissed early for inclement weather, the office will close at the same time as the schools. If schools are on a morning delay, the office will open accordingly. Sunday Services are not affected by inclement weather, however, we ask that you use your best judgement when deciding to attend morning worship.
