COVID-19 Liability Waiver

The novel coronavirus ("COVID-19"), has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. While rules, guidance, and personal discipline may reduce this risk, the risk of serious illness and death does exist. **South Valley Athletics ("SVA") cannot completely mitigate the transfer of communicable diseases like COVID-19 especially when involved in cheer. Participation in cheer includes possible exposure to and illness, injury, or death from infectious diseases including COVID-19.**

In consideration for providing my child the opportunity to participate in the field trip and any related transportation to and from the field trip, both my child and I voluntarily agree to waive and discharge any and all claims against SVA and release it from liability for any exposure to or illness or injury from an infectious disease including COVID-19, including claims for any negligent actions of SVA or its employees or agents, to the fullest extent allowed by law, for myself, my child, our estates, our heirs, our administrators, our executors, our assignees, and our successors.

I also agree to release, exonerate, discharge and hold harmless SVA, its Board of Directors, the individual members thereof, and all officers, agents, employees, volunteers, and representatives from all liability, claims, causes of action, or demands, including attorney fees, fines, fees, or other costs (e.g. medical costs) arising out of any exposure to or illness or injury from an infectious disease including COVID-19, which may result from or in connection with my child's participation in the field trip. I further certify and represent that I have the legal authority to waive, discharge, release, and hold harmless the released parties on behalf of myself and the above-named athlete.

I certify that I have read this document in its entirety and fully understand its contents. In exchange for the opportunity to participate in field trips, the above-named athlete and I freely and voluntarily assume all risks of such hazards and notwithstanding such, release SVA from all liability for any loss regardless of cause, and claims arising from the participation in the Field Trips.

South Valley Athletics strives to provide a positive experience for all persons involved in our programs. All persons involved in our summer field trips will respect the facilities, equipment, and materials that are provided for their use. Coordinators of all activities will provide clear communication directly with parents regarding any changes and times when our summer field trips are being held. Parents and kids will make every effort to make the summer field trip that they sign up for and notify the coordinators if they will be unable to make a certain day. **NO Child/Teen will be left without adult supervision at any of the activities that will be running. Any perceived misconduct from any of our coordinators, parents, or Children/Teens should be reported immediately to SVA.**

Parents and Coordinators are expected to set a positive example for all kids that are participating in SVA summer Field Trips. Parents and Coordinators will respect all the activities and create a safe and fun environment in all locations that the activities will be at. Parents will communicate and respect the coordinators that will be running the activities. Coordinators will respect and care for all kids that are involved in our summer field trips. We believe that all these activities will be fun and interactive and expect children/teens to be kind and respectful whether they participate in the activity or not.

By signing, I am stating that I understand the above and agree.
