

OVERVIEW

About our community foundation

Helping donors do
good work... forever.

Mahaska County Community Foundation is a nonprofit, community corporation created by and for the people of Mahaska County. We are here to help our donors make a positive impact on their community.

Three special features

One: personalized service. We make giving easy and effective, accepting a wide variety of gifts and providing donors a number of charitable options. You can contribute cash, stocks, property, and bequests. You may establish a fund in your name or in the name of a loved one. In most cases, your gift qualifies for maximum tax advantage under federal law and may be eligible for Endow Iowa Tax Credits.

Two: local expertise. We have an in-depth understanding of the issues, opportunities, and resources that shape our community. We monitor all areas of community need—including human services, education, the environment, healthcare, the arts, and economic development. We can help you learn more about local organizations and programs that make a difference in areas you care about most.

Three: community leadership. We invest in the long term and bring people and organizations together, convening diverse voices to address local issues and opportunities. Our business is building community.
