Who We Are

The **Pepsi-Cola Collectors Club** was founded in 1983 by three Southern California Pepsi collectors. Their goal was to meet other collectors of Pepsi memorabilia. They have done just that. The club now has hundreds of club members throughout the United States, and around the world from Canada, to Australia, to Germany and other countries in between.

The club held their first annual convention in 1987 in Indianapolis, Indiana. The event has been successful for more than 28 years. The club now has four national gatherings as well as regional events and many active local chapters across the country.

The Pepsi-Cola Collectors Club is committed to the documentation and preservation of the memorabilia and history of the Pepsi-Cola Company as well as bringing fellow collectors together to share and enjoy their enthusiasm for Pepsi-Cola.
