

A MESSAGE FROM PASTOR FRED

It is always a great honor to find space in the Fred's kids quarterly report so we can show our appreciation for the great impact of your donation, support and prayers to the school and church ministry here. It is my humble prayer that God will sustain you and replenish your resources. In this 2nd quarter we continue to enjoy the new clean kitchen facility which has enhanced our service to the school population. We serve faster now and cleaner meals. No more black soot in our food. God is good. It is in this quarter that our Marindi pupils and high school students resumed learning, all school fees, supplies and rather basics were provided. We are still under threat of the 3rd wave of the covid19, we appreciate the care and protection you provided through sanitizers, masks and hand washing stations. So far we have been very safe. Our outreaches continue unhindered and many more are receiving Jesus as Lord and Savior. The main church Marindi now sits more due to over 200 new chairs. Glory to God. The Kigoto Church got new tin sheets to expand the building for more worshippers. The list is endless. Your donation is driving the wheel of a great ministry and touching lives to the core. Be blessed.

Pastor Fred

WHAT A STORY!!!

All things truly work for good. Several years ago Pastor Fred led a large evangelistic team deep into the remote Maasai country of Masurura. It was powerful and the enemy was not going to sit and watch. In the middle of anointed praise service at 9pm in the evening a very drunk police officer of the Maasai tribesmen who considered the meeting as an attack on their traditional way of living opened fire sending everybody running for dear life under darkness in a strange land. God is faithful. None of the team were shot despite several rifle shots. It is during this meeting that Pastor Kennedy met his wife to be, Lensa. Pastor Fred later married them at Marindi Church some years later. The couple today continue to serve the Lord and with their 4 daughters and have helped to grow the Kigoto Church. We appreciate your believing with us in praying for provisions for the family as well as the Pastor Kennedy's seminary fee.

CHANGE YOU CAN SEE & BELIEVE IN

From an orphaned life of hopelessness to a home and school. Kennedy is among the best Marindi Academy performers in the just released 8th grade final exams. He is ready for High school when the Lord provides. Our donors are changing lives and Fred's kids is appealing for more friends to partner with us to help continue the great work being done in Marindi.

A SWEET & PRECIOUS GIFT FROM THE YOUTH CONFERENCE

Seven young people accept Jesus as Lord and Savior. We had a quick early chilly morning water baptism and a first taste of the Holy communion. What can be sweeter than that?

WATER TO THE COMMUNITY

Thank you Fred's kids and friends for making us a blessing to others who need clean rain water. Our kids are glad to go out this afternoon on their regular mission "water to the community". With 8 full tanks it is an overflow of God's blessings and Spirit. "I was thirsty and you gave me water". "And whoever in the name of a disciple give to one of these little ones even a cup of cold water to drink, truly I say to you, he shall not lose his reward." May the Lord continue to bless you and enable you to reach out to many various needs out here. Yours is pure undefiled religion.

Practicing pure religion has it's fulfilling moments. Jevan, once a toddler and total orphan, is now graduating from college with a bachelor's degree. With God all is possible. We thank God for the opportunity to be a part of his story. We are believing God for the same for Jevan's sister Belinda (one of Fred's kids current sponsored High School students).

It has been impossible to implement the spacing requirement at our places of worship due to our few benches and so we kept some of our worshipers away. But thanks Fred's Kids, as from today, we had and will have everyone in for worship at the same time. News about the new chairs spread like a bush fire. It evangelized and today during the service we had a full house like never seen before. My worry as where to sit our people was over. God is so very good.
