## MABAS Division 106 Card Numbering Recommendation

Each Community is assigned an identifying number:

|  |                        |
|--|------------------------|
| 11- Big Bend                             | 21- City of Brookfield |
| 12- Vernon                               | 22- Town of Brookfield |
| 13- New Berlin                           | 23- Butler             |
| 14- Tess Corners                         | 24- Elm Grove          |
| 15- City of Waukesha                     | 26- Lisbon             |
| 16- Village of Waukesha                  | 27- Menomonee Falls    |
| 17- Waukesha County Emergency Government | 28- Pewaukee           |
|  | 29- Sussex             |
| 33- Eagle                                | 42- Lake Country       |
| 34- Mukwonago                            | 43- Hartland           |
| 33- North Prairie                        | 44- Merton Community   |
| 36- Western Lakes                        |                        |

The type of card will fall into one of 9 categories and the final number of the card indicates the category:

- 1 = Structure fire/hydranted
- 2 = Structure fire/non-hydranted
- 3 = Life Safety or EMS
- 4 = Brush fire
- 5 = Water/Ice related
- 6 = Hazmat
- 7 = Tech rescue
- 8 = Target Hazard
- 9 = Disaster

Examples are:

- 34-11 would indicate Mukwonago Structure fire/hydranted
- 12-23 would indicate Vernon/Life Safety EMS
- 42-14 would indicate Lake Country/Brush fire

Numbers can be inserted before the final number to identify areas or specialties.

Examples are:

- If City of Brookfield has 2 different fire areas, a structure fire in area 1 would be 21-11. If that same fire was non-hydranted, the number would be 21-12
- An example of a specialty might be tech rescue either rope rescue or confined space. If the community is Tess Corners, the tech rescue ropes might be 14-17 and the card for confined space would be 14-27.
