

# SHARE YOUR ART FOR LENTEN VESPERS

Hello my dear friends,

Can you believe it has been almost a year since we have been able to meet in person? I can...it seems like forever. We are fortunate to live in a time when virtual technology is obtainable to so many. Thank you to Pastor Paul and all those who make sure our Sunday School and church services are available.

Lenten season Vespers are being offered online Wednesdays at 7:00. This year the theme is using different spiritual principals to help us connect and practice our faith. **Pastor Paul has asked Sunday School students to contribute using visual artwork.** Talk to your child about their favorite Bible story. Maybe older students can think about the Last Supper or Holy week happenings. Then using crayon, paint, markers, chalk, etc. help them to express their faith through visual art. Take a picture of it and email to Kristy Bohinc before March 7<sup>th</sup>. These pictures will be used on **March 10<sup>th</sup> during Vesper service. Thank you!**

Love and Blessings,
