

CAMP INTERNET EXTREME

SUMMER ~ 2019

25 YEARS OF TECHNOLOGY TEACHING EXCELLENCE!

CAMP INTERNET: EXTREME, entering its 25th *flabbergasting* year, offers students access to flat screen iMac computers, 3-D printing design, iPads, a wide variety of multimedia equipment, and two certified teachers with 40 plus years of combined technology teaching experience. Campers will have an opportunity to use these resources to produce virtual reality environments, design and manipulate digital video, create 3-D images, and animation, animated digital creatures, create studio quality music, look at coding, peek under the hood of popular video games, and gain life-long technical skills that can be used in the home and classroom. Campers will work on their own computers to generate daily projects. For grades 1-10.

CAMP INTERNET instructors will teach your child to become comfortable using technology as a tool for learning. **CAMP INTERNET** is designed to provide your child with a powerful, state of the art multimedia computer, access to proven educational programs, and direct high speed internet access.
