**KID'S Water Mixable OIL Painting**  
**FEE: \$45 Per Workshop (Materials Included)**  
**Instructor: Carol N. Ligon**

**FRIDAY FUN WORKSHOPS for KIDS Ages 9-TEEN**—The workshops are intended to inspire KIDS to grab their toolboxes and get busy and paint. As the students create ART, they paint through a process, allowing their artistic expressions to display in a natural way. These experiences will help to develop each child's own emerging style of painting.

● **FEBRUARY 16 AFTER SCHOOL (3:30–5:00 p.m.)**

—**Expressive FLOWER ART & Surprise GARDEN**

This workshop encourages students to paint using expressive **FLOWER ART**, with shapes, forms, and patterns, while creating Surprise Gardens. Create FUN and let the magic unfold. **BUDDING FUN!**

● **MARCH 23 SPRING BREAK (12:30-2:00 p.m.)**

—**POP ART & COLORFUL Designs**

This workshop is an introduction to **BRITTO ART** and encourages students to imagine and explore **COLOR**, while learning to build their color connections throughout the painting. Students will learn how to showcase their painting with designs and color selection, underpainting and layering of paint. **PAINT WHIMSICAL—IT'S FUN!**

● **APRIL 27 AFTER SCHOOL (3:30—5:00 p.m.)**

—**PET ART & Charming CREATURES**

This workshop encourages students to imagine, dream, create and paint an adorable **PET** or **CREATURE** of their choosing. Students will embrace several aspects of **ART Education**—including imaginative involvement with the composition; working through the creative process; and developing competence with painting techniques. **EXPRESSIVE FUN!**

● **MAY 25 AFTER SCHOOL (3:30—5:00 p.m.)**

—**POP ART & Celebration of your CREATIVE SELF**

This workshop encourages students to work with techniques to create their own style of **Whimsical Faces**, using shape and form. As a foundational skill for each student artist—they will plot all of the circular shapes—from the 'apples of the cheek, to the chin, eyeballs, tip of nose and nostrils. Creating a 3-D sphere on canvas, will allow the 'face' painting to take on new life. **PAINT HAPPY—IT'S FUN!**
